

"Then they sang a hymn and went out to the Mount of olives" (Matthew 26.30).

Sisters and brothers, welcome to Holy Week.

While the emotions and feelings are normally in an unusual place during Holy Week for Christians, that is especially true this year. As we travel through Holy Week this year we must do it together while practicing 'social distancing.' We can not gather together and sing the songs of our faith. We can not extinguish candles together. We can not even go to a park together now and reflect on the events of this week. While we can not be physically together, we can continue to be connected as the family of God. The connection is a bond that physical distance can not break.

This weekend we will be gathering together on Good Friday at 7pm and also on Easter Sunday at 10am. On Sunday we will be starting a new worship theme: "Resurrection Words"

Peace and God's Blessings,

*In Christ*
