

**“Where is the one who has been born king of the Jews? We saw his star when it rose and have come to worship him.” (Matthew 2.2)**

The Magi, the wise men, were on a journey of faith when they left their homes to travel for possibly two years to find the Christ child. They gave up so much more than gold, frankincense, and myrrh to visit the newborn king of the Jews. We all are on journeys of faith, seeking to follow Jesus by loving God and loving others. 2020 just in itself was an interesting journey! How was your journey of faith in 2020? How will the journey be in 2021? There are no promises that the journey will be easy, almost just the opposite. Let's step off on the journey together. I look forward to worshiping with you this Sunday at 10 am. Peace and God's blessings.

P.S. This Sunday we will be celebrating communion during worship. Those joining via the livestream or the conference call please have your bread and juice prepared and close by before worship begins. After worship we will be having our monthly drive thru that was postponed from last Sunday. Hope to see you there.
