"When she recognized Peter's voice, she was so overjoyed she ran back without opening it and exclaimed, 'Peter is at the door!'" (Acts 12.14)

Throughout history and even today in the midst of the COVID19 pandemic, God is doing amazing things! With our church family, we have heard stories of people coming closer to God during this time, healings, and wonderful peace! How do we react when it is clear that God is doing great things? Do we open the door or do we leave the door closed? Originally Rhoda, within Acts 12.1-17, left the door closed, leaving Peter outside. May we all have the superpower to open the door to what God is doing in our midst! I look forward to worshiping with you this Sunday at 10 am. Peace and God's blessings
