**One of them, when he saw he was healed, came back,
praising God in a loud voice. (Luke 17.15)**

As we are on a journey back towards generosity, this Sunday we look at the G in our Generosity GPS: Grounded in Gratitude. We all know the feelings of appreciation when someone says thank you. However, we all have fallen into the trap of not saying thank you. When we are grounded in gratitude we acknowledge that everything is a gift from our Heavenly Parent. Amongst the COVID pandemic, racism, and our current political climate we still have many things to be thankful to God for. When we are grounded in gratitude, years such as 2020 do not knock us down because our foundation is in the reality that EVERYTHING we have is a gift from our loving generous God! I look forward to worshiping with you this Sunday at 10am. Peace and God's blessings,

*In Christ

P.S. - This Sunday during worship we will be celebrating Communion. For those joining worship via the livestream or conference call, please have your bread and juice ready before worship starts.
