

LIGHT DARKNESS

Jesus said "I am the Light of the world"

"Believe in the light while you have the light, so that you may become children of light." (John 12.36)

We have all experienced more than enough darkness already this year. Amidst all the darkness of this year, isn't it wonderful that God invites us to be a 'child of the light!' The light has always overcome the darkness. We can choose to be a child of the darkness or instead 'walk in the light as he is in the light' (1 John 1.7). Let's choose to be a child of the light and to shine that light brightly. I look forward to worshipping with you this Sunday at 10 am, in person, on the livestream, or via the conference call.

Peace and God's blessings.

In Christ,

Derrick
