

# LIGHT DARKNESS

*Jesus said "I am the Light of the world"*

**Sunday Worship 10 am**

Three ways to join  
In person-Livestream-Conference Call

**His disciples asked him, "Rabbi, who sinned, this man or his parents, that he was born blind?" (John 9.2)**

In a dark room, do you focus on the darkness or the single lamp that was just turned on? Jesus calls us to be 'the light of the world' but the darkness, suffering, pain, sickness, tragedy is so easy to focus on. Instead, let's shine the Light into those dark moments. Instead of focusing on the darkness surrounding us during this pandemic let's instead shine the Light into the dark corners of society. Offer God's love, joy, peace, and hope. This Advent season, while the suffering, pain, sickness, loss, and darkness is around us and very real. Light is over darkness! Jesus said 'I am the light of the world.' I look forward to worshipping the Living God, who is the light of the world, with you this Sunday at 10 am. Peace and God's blessings.

In Christ  
Pastor Derrick  
KCC

P.S. Drive thru this Sunday immediately following worship. Lots happening with the drive thru. I will be looking for you there!
