

"Jesus Christ is the same yesterday and today and forever." (Hebrews 13.8)

Think about it for a moment: Jesus is the same and has never changed. The same Jesus who caused John Wesley's heart to be strangely warmed, is the same Jesus who came out of the tomb on Easter, is the same Jesus who will be with us in 2030, and is the same Jesus who is with us right now. We have had an unprecedented year! The same Jesus who was involved in the Creation of everything was with us throughout 2020 and will be with us throughout 2021. I am so thankful that through the world may

change, our God never changes. I look forward to worshipping the Eternal God with you this Sunday at 10 am. Peace and God's blessings.
