

“A crowd came together in bewilderment, because each one heard their own language being spoken. . . . Amazed and perplexed, they asked one another, “What does this mean?” (Acts 2.6,2.12)

When was the last time you were, amazed, perplexed, questioning, and bewildered all at the same time? When was the last time you saw what was going on but it made no sense to you? Perhaps, with everything pertaining to COVID19 you are felling this way. When God moves this is a natural reaction of human beings who are watching. Those to whom recognize what God is doing need to speak up and share the Gospel truth (while not sharing COVID19). The disciples on Pentecost spoke up. We need to speak up today and share, explain, what God is doing! I look forward to worshipping with you this Sunday!
