**With the Trinity we are NEVER
Abandoned, Powerless, or Unloved!**

The understanding of the Trinity is not just a theological teaching or understanding of God but also a ‘rubber meets the road’ practical understanding of God. This Sunday we are starting a new three-week worship theme: Never, wherein we will be diving deep into John Chapter 14. This worship theme will explore the fact that with the Triune God we are NEVER abandoned, powerless, or unloved. This Sunday we will be exploring how with our Triune God we are never abandoned. God is always with us!!! Let’s dive deep into this rich practical understanding of God together!

Ps-This Sunday please remember we will be celebrating a Baptism while also practicing ‘social distancing,’ thanks to the people who have been serving through our AV ministries AND we will have a First Sunday Drive Through after worship. I look forward to seeing you during the drive through.
