

When Elizabeth heard Mary's greeting, the baby leaped in her womb, and Elizabeth was filled with the Holy Spirit. (Luke 1.41)

Mountains can be opportunities. We know that God is on the move therefore mountains which appear to be obstacles might just be opportunities. Can you even begin to imagine if Mary, the mother of Jesus, had only seen her pregnancy as an obstacle and not an opportunity? Salvation history may well have changed. Thankfully Mary and Elizabeth both saw their unique pregnancies as the opportunity of the live times, if not of all time! Look for the opportunities in the mountains you are facing today.
