3 Simple Rules

- 1. DO NO HARM**
 - 2. DO GOOD**
 - 3. STAY IN LOVE WITH GOD**
- 

Why is it that as human beings we continue to harm each other? Why is it that our natural inclination is to push someone down? Jesus spoke to this. "Love your neighbor as yourself" (Matthew 22.39). John Wesley the founder of Methodism also spoke to this "Do no harm." As Christians we should live, think, and act differently than those who do not claim the name of Jesus. John Wesley gave the people called Methodists three simple rules: Do no harm, Do good, Stay in love with God. This Sunday, we start a new worship theme on these three simple, life changing and giving rules. This Sunday we will be looking at "Do no harm." Easy to say, hard to live by. I look forward throughout the week hearing how you are striving to "Do no harm." I look forward to worshipping with you this Sunday.
