

If you have faith as small as a mustard seed, you can say to this mountain, ‘Move from here to there’ and it will move. Nothing will be impossible for you. (Matthew 17.21)

Mountain moving seems impossible. However, human beings have been moving mountains for centuries. With proper planning, techniques and skills, human beings have literally moved mountains. Our Lord and Savior says that with a small amount of faith nothing is impossible for us. Single handedly because of faith we can move mountains! Thankfully we do not need a bucket full of faith, just a small amount. Grab that faith and move those mountains. (God wants to help you do it!).
