"You and these people who come to you will only wear yourselves out. The work is too heavy for you; you cannot handle it alone." (Exodus 18.18)

This Sunday we are starting a new worship theme: "What's Your Superpower." Throughout the next six weeks we will be focusing on some of the less known Biblical characters and discovering their superpower. Isn't it wonderful that we don't need a superhero because God has already placed in all of us the Holy Spirit!

This Sunday specifically we will be looking at Jethro, Moses' father-in-law. Moses after leaving Egypt (remember all the plagues, the Red Sea, etc) while leading God's people stops nearby and Jethro visits him. Jethro in a way that only a father-in-law can says, 'Moses you are crazy, you can not do this alone. You need a team.' Batman had Robin. Captain America had Bucky Barnes. Moe, Larry, and Curly had each other. If Moses needed a team, who is in your team. Your team could be your superpower. What's your superpower?
