This Sunday we will celebrate the Ascension of Jesus back to Heaven to God the Father. As we celebrate this historical faith event we are reminded how the disciples had to WAIT! Waiting is not fun. Waiting can be uncomfortable. All of us have been waiting recently. Waiting for when it will be safe for us to return to the new normal of life after COVID19. When will the waiting end? Like us, the early disciples did not know when their days of waiting would end. We can learn from the disciples' example and take advantage of the waiting time to get ready for what God has planned for us! I look forward to worshipping with you this Sunday.
